

Lakes Softball League Player Agreement

Player's Name

Team

By signing below, I acknowledge the following:

- Softball is inherently a dangerous game and I understand that injuries and even death can occur. As such I acknowledge that I am responsible for myself, and that the Lakes Softball League, its officers, teams, host communities, and/or players are not responsible should something happen to me.
- If I pitch, I understand that use of a pitching screen is strongly recommended and perhaps mandatory. I also understand that safety equipment (masks, chest protector, shin guards, etc) is permissible and recommended. However, I also understand that as a pitcher I personally assume all risks.
- As a position player, I understand that safety equipment (masks, chest protector, shin guards, etc) is allowable and recommended and, regardless of my decision to use such equipment or not, I personally assume all risks.
- I understand senior softball is recreational and that safety of all involved is primary and that by putting other players or officials in any form of jeopardy may result in suspension or expulsion from the league. I further understand that sportsmanship and respect for teammates, opponents, game officials, and fans are mandatory and that failure to abide may similarly lead to suspension or expulsion from the league.
- I understand that it is my responsibility to play within the letter as well as the spirit of the rules.
- I understand that there is an age requirement for the league and that deviation from that rule may result in my being disqualified from league competition.
- I understand that using illegal and/or altered equipment may result in penalties up to and including my expulsion from the league, and that I am totally responsible for the bat being legal and/or unaltered.
- As an umpire or on-field coach, I understand my responsibility to properly position myself on the field and to remain situationally aware as to avoid personal injury/harm and I knowingly and personally assume all risks.
